**KERN® PORPHYRY – HIGH QUALITY AUTHENTIC  
TRENINO PORPHYRY**

**100% Italian Natural Stone**

Kern®Porphyry is 100% Italian natural stone that proves yet again that high quality is the right choice.

Kern®Porphyry is certified by International testing laboratories and, in addition to the variety of colours and the beauty of this exclusive Trentino stone, it also comes with a substantial production guarantee.

Italian Kern®Porphyry is a high-value and elegant material which, because of its structure, necessitates the implementation of a thorough selection process of the raw material. This provides a high level of quality control from the outset, which continues through the various processing stages until the stone is finished. This makes the difference.
